We attach a condensed report of the following recommendations:

The State Highway Department estimates the cost of Trunk Line maintenance \$28,300.00. Of this amount the State will pay one-half. We, therefore, recommend that the town appropriate and raise \$14,150.00 for Trunk Line maintenance.

We recommend the amount of \$5,000.00 be appropriated and raised for town maintenance.

We recommend the amount of \$6,000.00 be appropriated and raised for permanent town roads, to be expended under the supervision of the selectmen.

We recommend the amount of \$8,000.00 be appropriated for permanent roads at Cascade Hill and River Street, this to be expended under the supervision of the selectmen.

We recommend the amount of \$2,000.00 be appropriated and raised for sidewalks beginning at corner of Wilson and Church Streets and extending to the corner of Church and Promenade Streets, and continuing east on Promenade Street, same to be located and expended under the supervision of the selectmen.

We recommend the amount of \$200.00 be appropriated and raised for repairs and painting the Town Building on Androscoggin Street, occupied by the American Legion.

## REPORT OF TOWN BUDGET

We recommend the amount of \$480.00 be appropriated and raised for band concerts.

We recommend the amount of \$8,000.00 be appropriated and raised for town charges.

## Report of Road Agent

---

The Town Maintenance figures as shown in the following report show an over-run of the appropriation, due to emergency work caused by high water in the spring of 1930, and other work necessary to be done, together with an item of \$1,299.43 paid for a tar bill of 1929, which was unpaid and is shown in the 1930 report.

In addition, there is also a credit of \$608.03 due from the State Highway Department, which brings the figures to the voters' appropriation.

Amount expended .....	\$ 16,498.56
Appropriation .....	12,000.00

---

Excess .....	4,498.56
--------------	----------

This can be compromised by the following work done that was not included in the budget recommendations:

Jimtown Road .....	\$ 500.00
Cross Street .....	400.00
Union Street .....	400.00
Dublin Road .....	500.00
1929 tar bill .....	1,299.43
1929 sand bill .....	152.70
Credit snow plow .....	608.03

And this amount in connection with the excessive snow bill shown as \$1,334.63 in January, 1931 items, due to so large an expense of removing the snow from the streets, which has not been a practice in former years, brings the total to the figures shown.

I claim that I have not exceeded my appropriation in the face of the above items, as they did not appear as part of the budget committee's recommendations.

Respectfully submitted,

T. E. MALLOY,

Road Agent.
